VANTAGE POINT CORPORATION
A Proud HP Elite Partner

Based on business class notebooks as of January 9, 2015 with >1 million unit annual sales having pre-installed encryption, authentication, malware protection and BIOS-level protection, passing MIL STD 810G tests, with optional docking incorporating power delivery. ¹Windows 8 MM12 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power-management settings. The maximum capacity of the battery will naturally decrease with time and usage. See hpc.com for additional details. © Copyright 2015 Hewlett-Packard Development Company, L.P.
